

CANADIAN PHILATELIC SOCIETY

Bulletin No. 6.

December, 1935.

In reply to the numerous enquiries with reference to the "Bulletin", from the members of the Society, a word of explanation is in order. As each paid-up member, direct or affiliate, is now on the mailing list for the Philatelic Journal of Great Britain, the Directors considered that the Bulletin would be issued bi-monthly. This issue should have been out last month, but owing to stress of other affairs it was delayed in being issued.

Continuing our list of quantities of Canadian Postage Stamps issued, we find that the following were issued during the postal year 1931 by the Canadian Bank Note Co., only.

The 1928 issue was completed by the above figures and the two prior years will supply complete information. The 50¢ (Blue-nose) and \$1.00 values were largely printed in these years so that the above figures are not particularly revelant.

Excise stamps recently noticed are 3/20 on 1/10¢ used on matches (Woolworth's) and 2¢ imperf. on cigarette papers.

Mr. J. M. Stephen, the Librarian reports that he is fast getting the Library in shape and catalogued. He reports that he has classified articles of 185 separate countries. Those interested should write direct to him at 37 Queensdale Ave., Toronto.

Mr. Gladstone Shaw reports a distinct break in the 9 of 1910 in the 5¢ Canadian Jubilee. Confirmation from other members would be appreciated.

The President and Directors extend to one and all warmest wishes for a Very Merry Christmas and a Happy and Prosperous New Year and may you all have so many good things happen in the year 1936.

Turning to our immediate affairs, we have received a very good suggestion from one of our members residing in Western Canada which is that the name and address of the Corresponding Secretary be incorporated in the Bulletin. We are acting on that suggestion and from now on the information desired will be found at the head of the Bulletin.

Some members have commented on the lack of Canada and B.N.A. news in the Magazine. The accompanying letter from the Treasurer will explain this point.

We trust that you all received the December Bulletin in good order with special red cancellation from Toronto. For those interested, there was about 350 thousand pieces of mail sent out with this cancellation.
