## **1. *RPSC Youth Awards***

That The RPSC adopt a policy, effective May 13, 2014, that, in order to more closely align with FIP/FIAF regulations and follow APS practices in the awarding of medal levels to competitive Youth exhibits, RPSC Youth awards henceforth will include the full range of medal levels, Bronze through Gold. The old practice of awarding Youth medals only up to the Vermeil level is accordingly revoked from this date forward.

Motion to approve by David Piercey, seconded by Robert McGuinness – Carried with one abstention (J. Beddows), none opposed.
