Bulletin No.5  
July...1935

Your Directors wish to announce to all members that the Society, through the courtesy of the members and officers of the Toronto Stamp Collectors' Club, the regular meeting of the Club, of September 5th. 1935, has been turned over to the Canadian Philatelic Society.

Your Officers will take charge of the meeting which is to be held in Room #10 of the Royal York Hotel and we can promise you a very interesting evening.

Mr. E. T. Underwood, Superintendent of the Postal Services of Canada has promised to bring the official moving pictures of the 13th Postal Congress, held at Cairo last year. This is a "talkie" and in conjunction, Mr. Underwood will have his personal "movies" that he took during his trip in the "near East". The Ford Motor Co., of Canada has also kindly granted us the favor of supplying one of their best production movies along with their projection machine, operator, etc.

As this meeting occurs during the 1st. week of the Canadian National Exhibition, it is expected that as many of our out-of-town members will be present as possible. Your secretary would be pleased to have a hearty response to this Bulletin and if you can make the grade you will be assured of a good welcome and something entirely new in Philately in Canada.

It is also our intention to make this a Ladies' night and the wives and Sweethearts of all of our members will be very warmly welcomed. The Ladies will have special accommodation and we are sure that they will enjoy every minute of the programme.
