AN IMPORTANT CORRECTION

Last month's "News-Letter" was only a few hours old when we discovered that we had 'pulled one'. Not only had we 'pulled one' but obviously a lot of people in and around Toronto knew it, and told us so.

We had inserted the wrong date for the North Toronto Stamp Club Exhibition. Now really, we don't know that the wrong date really mattered, because every philatelic-minded person in the Toronto Area knows about the North Toronto Exhibition - where when and how - that's why so many of you corrected us.

However, in case some misguided person believed us instead of the official club announcement ---

THE CORRECT DATE FOR THE NORTH TORONTO STAMP CLUB ANNUAL EXHIBITION IS ----

SATURDAY, MAY 10th
at York Masonic Temple,
5 Eglinton Ave. E., Toronto.

CLUB AND CHAPTER NEWS

EDMONTON STAMP CLUB mourn the loss of two members by death. C. Bernard Cox, past president (10 years) and Hon. Life Member, and Percy H. Evans, specialist in Canada passed away. Club has presented book describing Royal Collection to Calgary Public Library, joint effort of their club and Calgary SGC and Foothills Club.

WINDSOR 'Y' STAMP CLUB - 8th Annual Exhibition scheduled for May 14th, 15th & 16th.

CHATHAM-KENT PHILATELIC SOCIETY Members, both Senior and Junior, participated in the local Hobby Show with fine exhibits of stamps which caused much interest and opened the eyes of many people to the fine quality material in possession of District collectors.

Many of our Chapters are sending representatives to the C.P.S. Convention and we hope they'll make themselves acquainted with their fellow members

Postal officials will also be out in force, with acknowledgements having been received from the Postmaster - General, the Deputy Postmaster General, and Mr. Mills and Mr. Carpenter of the Philatelic Branch.

The next issue of the News Letter to be issued early in May will bring a lot of the highlights of the Convention to members who were unable because of distance or other reasons to be present.

SALES DEPARTMENT SETS NEW RECORDS

The Sales Department has had a very good year and the last 3 months have each set new sales figures over all previous records. A full report will be given sometime later following the Annual Meeting.

The month of March will realize over \$1200.00 in sales, and this is all due to the following:

1. An increased demand for books;
2. A better grade of stamps have been received at reasonable prices;
3. Department users have learned that here they can always get fast service.

Greatest demand, and best sales, continue to be for good Canada, for British Empire, and for older foreign stamps in good condition.

It's been a record year - but we think the new year will see us go on to still higher levels. Better get in on it by participating two ways - put books of your stamps in circulation - get the stamps you need from those put in by others. Write to the Sales Manager for further information.

THE PRESIDENT'S MESSAGE

In a few days we shall be in the midst of our Silver Jubilee Convention.

During the past 25 years, much has happened in the philatelic history of our country. We have seen many new stamps come in --- the stamps of two kings, and very shortly we shall see the stamps of our new queen.

The Society has made steady progress through these years and we feel today that our Society is recognized as the National Philatelic Society of Canada. This past year our Society has made many advances, largely due to the splendid support and co-operation of our members and Chapter Clubs throughout the Dominion.

As your President, I take this opportunity of thanking you all for your help in building up the Society and I express the wish that the same help and support will continue to be given throughout the years to come.

W. J. Selman
President

NEW SCOTT ALBUM

Scott's three-volume International is intended to provide for a representative collection of the popular low-priced stamps of the world. Part I covers the 1840-1940 period, Part II from 1940 to mid-1949. Now Scott have started distribution of Part III

It covers the stamp-issuing period for all countries, from mid-1949 to the beginning of 1952. For stamps of United Nations it goes through 1952, and for United States, it extends to the Service Women 3¢ Stamp.

The new album has 748 pages, space for 5,800 stamps of the world. Some pages are blank, some only partially filled with spaces, to allow for expansion, and contains 1846 illustrations of stamps and overprints.

The first Scott "International" appeared in 1876 and had less than 500 spaces in it.

Member W. J. Clarke, 276 Waverley Rd. Toronto, is interested in hearing of other collectors specializing in air letter sheets of any part of the world.

Dans quelques jours, nous serons en plein Congrès du Jubilé d'argent.

Au cours des vingt-cinq dernières années, beaucoup d'événements ont eu lieu dans le monde philatélique. Nous avons vu les timbres-poste de deux rois et dans quelques jours, nous verrons les premiers timbre-poste de notre gracieuse reine.

Le Société a fait d'excellents progrès au fil des années et nous croyons qu'aujourd'hui, on reconnaît qu'elle est la grande société philatélique nationale du Canada. Grâce à la collaboration de tout le monde, membres et sections régionales, d'un bout à l'autre du pays, votre Société continue à faire de bons progrès.

En qualité de votre président, je tiens à vous remercier de votre aide précieuse et à exprimer le souhait que continuerez à nous l'accorder au cours des années à venir.

ABOUT YOUR ANNUAL DUES

Notices of Annual Dues for 1953-54 have just been sent to all members of the Society whose current membership cards bear the date of April, 1953.

Accompanying this notice is one of those convenient cheque forms with the amount and Society Name already filled in, which you need only sign and return in the self-addressed envelope you will find enclosed. Members told us last year, in sending in their fee, that this was one of the most convenient things C.P.S. had thought up in a long time -- and what the members like, we're anxious to repeat.

So again we're making it as easy and convenient as possible for you to remit your annual dues, and we trust you will make use of it promptly.

May we make one suggestion which will save your Society money and inconvenience. Last year, bank charges against the Society on cheques to which exchange had not been added amounted to the amazing total of \$60.00 - the equivalent of no less than 20 renewals - and this is lost revenue to your Society, and curtails the service it can give to you to that extent.

So this year, won't you give us an added boost by adding the few cents of exchange to your cheque. It will only cost you 15-25¢, but it and many others will cost the Society Treasury (your treasury) many dollars. You'll fix that, won't you?

MORE NEW MEMBERS

The growing interest in 'things philatelic', and particularly in the affairs of our Society, is evidenced by the tremendous influx of new members during the last few months. Usually as we near the end of a year, very few new membership applications are received. We are especially happy, therefore, to welcome so many to the ranks of the Canadian Philatelic Society, since the last list was published in February issue of the News Letter
