THE PRESIDENT'S MESSAGE

DURING THE PAST few weeks, your president has attended the inaugural meeting of a new club in Trenton, a general meeting of the Grand River Valley Philatelic Association, a meeting of the Ottawa Convention Committee Chairmen and also a dinner of the U.P.M. The new Trenton Club has our best wishes and will, I am sure, soon be on a good solid basis. The foundations of the Ottawa Convention (I am sure Windsor will forgive me this intrusion) are being well and truly laid. The Montreal affair was most enjoyable and enabled me to meet old friends. As regards the Grand River Valley meeting, what can I say, except that all the gang from Brantford, Kitchener, Galt, Stratford are just as lively and enthusiastic as ever and that I came into contact with the Guelph Club, with which we hope to establish closer relations in the near future. And to enhance even more the pleasure of the past few weeks, the Kamloops Stamp Club has joined up as Chapter No. 48 and the Kingston as Chapter No. 49. We warmly welcome both these clubs to our ranks. I sincerely hope that at Windsor we shall be able to announce at least Chapter No. 50.

The Year-Book is included with this number of THE CANADIAN PHILATELIST. It will be noted that we have appointed a number of Regional Directors in the principal philatelic centres of the Dominion. I hope to be able to announce two or three more in the near future. These gentlemen are all eminent collectors and the Canadian Philatelic Society is very proud indeed to be represented locally by such eminent collectors and good supporters. They will form a close link between your administrative officers in Toronto and the members and chapters at large. We want every member and chapter to feel that although far away, they are just as much a part of the C.P.S. and just as much considered by your officers, as the collectors who live close by or as the clubs to which they belong.

Windsor—WYPEX—is approaching rapidly. Entries for WYPEX should either be in or just about to be sent in. DO IT NOW. Exhibits should be in the course of preparation. I would earnestly entreat all our directors from Victoria to Halifax, to endeavour to persuade at least one member in each region to exhibit at Windsor. I can guarantee proper care will be taken of your exhibit, on arrival, during the Exhibition and for its return, so please do not hesitate on that account. You will note that there will be no firsts, seconds or thirds, but golds, silvers and bronzes. This will meet with general approval I am sure. So don't hesitate to send in that entry right away, don't forget to make your reservation for accommodation—and do your durnedest to attend—I am looking very much forward to meeting many old friends and making many new ones. ON TO WINDSOR!

La place manque pour dire en française à tous nos amis de la province de Québec ce que j'ai dit en anglais ci-dessus, mais je tiens quand même à demander à tous nos confrères de faire leur possible pour envoyer au moins une entrée à l'exposition de Windsor, WYPEX, qui aura lieu, comme vous le savez, les 26-27-28 avril prochain. N'oubliez donc pas d'envoyer votre entrée SANS RETARD, et en même temps, demandez au club de Windsor de vous réselver une chambre. Ceux qui feront le voyage—il est long, je le sais, mais pas si long que çal!—ne le regretteront pas, et your moi personnellement, ce sera un plaisir de les accueillir et de renouner de vieilles amitiés.

EN ROUTE POUR WINDSOR!

L. M. LAMOUROUX,
President.

Twenty Eighth Annual C.P.S. Convention And Exhibition

IS IT NOT true that when a new member is approached to join our society that one of the first questions he asks is what do I get out of the society by joining it? Is it not also true that many members are not getting the most out of our society? We believe that you get out of an organization what you put into it and those who participate most closely with C.P.S. activities get the most for their money. Without going into all the advantages of belonging to C.P.S. few will disagree with the statement that the annual exhibition and convention is the highlight of the year's activities, and everyone who attends and participates is sure that they are well repaid for being a member of C.P.S. For your own pleasure and the good of the Society plan to attend this year's convention and exhibition at the Windsor Y.M.C.A. on April 26, 27, and 28th, 1956.

For those a prohibitive distance from Windsor who find it impossible to attend we suggest that there is no way you can participate better than to plan that an exhibit be there in your stead.

For your convenience there is an official entry form in the Jan. issue. Please send it in as soon as you know what your requirements will be.

We feel that this view can best be expresed by reproducing a letter which has been sent to all Chapters of C.P.S. and suggest to all members who are not affiliated with such chapters to consider that this letter be addressed to them personally and to plan their exhibit now.

Chapter No. 1,
Brantford, Ontario.

Dear Sirs:

We of the Windsor Y Club, Chapter No. 2 are hosts for the 1956 C.P.S. exhibition and convention and this is an appeal for your support to your society.

We are planning the greatest exhibition to date with a minimum of three hundred frames. It seems that in the past, the host chapter gets out and scratches and gets fifty per cent or more of the exhibits from its own chapter and the number of frames from the rest of the C.P.S. members across Canada you could stick in your eye. We do not feel that this is in the best interests of the Society. The Chapters should be back of the society and if each chapter makes a sincere effort to encourage its members to exhibit and attend the convention the society will go ahead beyond our dreams.

Please do not just read this letter at your meeting. Is it to much to ask to have your secretary personally approach all C.P.S. members and discuss with them the posibility of exhibiting even if they have never exhibited before?

Prospectuses will be available shortly and every member of the society wil get one. However, it would be of great assistance in planning if you could give us a list of the probable exhibitors with their frame requirements (eight album pages to a frame).

We hope that when your chapter acts as host for the C.P.S. convention that we can reciprocate and give your chapter even greater cooperation.

Yours Sincerely,
N. O. BOYD, M.D.,
Exhibition Chairman.

RECENT NEW ISSUES

The Realm Of Stamps

By Montor

TWO REALLY excellent books have recently been published which are inexpensive, beautifully illustrated and contain a wealth of information invaluable to the collector.

The first is the second edition of "British Colonial Stamps in Current Use", by R. Courtney Cade, M.B.E., of the Colonial Office, which has been published by the Crown Agents and is obtainable from the Crown Agents Representative, 1800K Street N.W., Washington 6, D.C., U.S.A., at the price of $1 post free.

It contains some 150 pages describing the stamps in use and brought up to date to the end of October and contains details of the population and currency, together with a map showing the location of the Territories of the stamps described in the text. Besides illustrating the designs there is a wealth of information in the descriptions of the subjects depicted on the pictorial stamps and for those interested in postal markings there is in many cases a list of post offices in the various Territories.

This really excellent handbook cannot be too highly recommended and is especially valuable to the junior providing as it does a great deal of information in concise and interesting form about the British Colonial Territories. It would make a valuable addition to every public and school library in the country.

The second book is written in French and has been published by the Monaco Postal Authorities and portrays the history of the Principality by its postage stamps.

It is entitled "Histoire de la Principaute de Monaco par ses Timbres-Poste" and has been compiled by H. Chiavassa, Chef des Emissions à l'Office des Émissions de Timbres-Poste, Monaco, from from which office it may be obtained, price 350 francs post free.

It contains much detailed information commencing with a biography of Prince Rainier III and chapters are devoted to the Prince of Monaco, the Postage Stamp Museum, and to the various pictorial issues that have been made by the Principality.

Many of the stamps are illustrated and there are a number of full page illustrations of local views and reproductions of the portraits of the early Princes of Monaco. It is invaluable for the writing up of a collection of the stamps of this popular country.

A very fitting gesture was made at the first meeting of 1956 of the Westmount Stamp Club when three members, T. Kearney, J. C. Pickering and R. J. Sutherland, were made honorary life members of the club. Mr. Kearney and Mr. Pickering together with R. H. M. Falls, the club's first president, are the only three surviving original members of the club. Mr. Falls was made the club's first honorary member on the occasion of its 600th meeting on April 17, 1952. Mr. Sutherland joined the club several months after its inauguration, like the others is a past president and for the past twelve years has served as honorary treasurer. This idea of honouring in this way those who were responsible for the formation of the club and who have been its active supporters throughout the years, might well commend itself to other Chapters of the Society.

Indications are that stamp collecting is enjoying the greatest boom that it has ever experienced in its history. More and more people both children and adults are taking an interest in philately. There is a persistent demand for fine material not only of Canada but also for the stamps of the British Colonial Territories and the classics of older countries of the world. Reports from London indicate that in England, where

Canadian stamps are adjudged the most popular of all with collectors, that prices are quite considerably higher than here. The demand is immense and what little comes on offer is eagerly snapped up at high prices. The interest in the stamps of Canada in the United States is also growing rapidly, the emphasis being laid on exceptional pieces in choice condition.

Now that some of the stamps of Great Britain are appearing on paper watermarked with the new St. Edward's Crown, it is anticipated that the Crown will be changed on new makings of the paper for the British Colonial stamps. It might therefore be wise for collectors of these issues to make sure of completing their sets when they are still available at new issue prices.

The National Stamp Exhibition "Stampex 1956" was again held in London this January under the auspices of the J.P.S. and the P.T.S., the theme being "What Makes Stamp Collectors". A feature of the exhibition this year were the two frame displays by some thirteen specialist societies and study circles. The Canadian Philatelic Society of Great Britain showing two frames of Canada. Two frames of rarities from the Caspary Collection were also on display at the Exhibition.

The composition of the jury for the Fifth International Philatelic Exhibition "Fipex", which is being held in the New York Coliseum from April 28 to May 6, has been announced by Richard S. Bohn, chairman of "Fipex". There will be a total of 51 jurors, under the chairmanship of Theodore E. Steinway, 19 of whom are from outside the United States. Canadians who will act as judges are Vincent G. Greene and C. M. Jephcott of Toronto.

Approximately $20,000 worth of prizes will be awarded at 'Fipex", which are being furnished by the firm of Cartier of New York, London and Paris. The Grand Award will be a sterling silver ewer valued at more than $2,000. The deadline for entries has been advanced one month until February 15 so as to allow additional time for overseas collectors to enter their material. As of January 6 the Directing Committee of "Fipex" had received applications for more than 1,200 frames.

Major Adrian E. Hopkins, M.C., of Bath, England, the Hon. Editor of "The Bulletin", the journal of the Postal History Society, is coming over with his wife and daughter to attend "Fipex". A Postal History Society lunch will be arranged during the Exhibition, following the precedent of the very successful gathering at "Capex" in 1951. During his six weeks' stay on this side of the Atlantic Major Hopkins is hoping to visit both Toronto and Montreal to make contact with members of the P.H.S. in Eastern Canada.

At the time of this writing it is only three months until many of us will meet in Windsor from April 26 to 28 for the 28th Annual Convention of our Society. The Windsor Y Stamp Club are acting as host club and a very successful and interesting Convention and Exhibition is assured. These annual events do much to stimulate interest in philately in Canada and every member of the Society should give them their fullest support.

Quite obviously many cannot undertake the journey to Windsor but it is hoped that those who may be coming through from the Coast and from Western Canada to attend "Fipex" may plan to break their journey at Windsor and take in our Convention on their way to New York. If you cannot attend then enter your material in the Exhibition or at any rate see that your Chapter sends in an entry for the Inter Club competition for the Ford Trophy.

NOTICE

We are indebted to many members and chapters, who sent in one or more members during the campaign. Many thanks for publicity gratis to our Vice-President, A. H. Christensen to A. D. McMurtrie and many others. All the chairman of the Campaign has to do now is to pay up and look big. This is strictly my business and no moneys are being taken from the C.P.S. treasury. To all Prizewinners: YOU WILL BE HEARING FROM ME SOON!
Since closing off, we have been indebted to F. D. McMichael for four new members. KEEP SENDING THEM IN! Thanks!

Cyril Woodhead, Chairman
123 Albertus Avenue Toronto 12, Ont.

*** A FEW WORDS FROM THE SECRETARY ***

1. NOTICE OF MOTION FOR THE ANNUAL MEETING

"That the Annual Dues for Members be raised from $3.00 to $4.00 per annum, as from the first day of April 1956."

2. NOMINATIONS FOR DIRECTORS

The Constitution provides that nominations for directors must be in the hands of the Secretary, F. C. Green, 95 Cottingham St., Toronto 7, Ont., not later than 31 March 1956. Any Member or Chapter can nominate a Director and the nomination must be duly seconded. Further, the nominee must signify his acceptance of the nomination in writing.

3. A MESSAGE

Your Secretary wishes to extend to all Members and Chapters of the Society a very sincere THANK YOU for their splendid loyalty in the course of the past year. It has been a pleasure to work with you and for you.

The Canadian Philatelic Society is a truly national organization and, as such, it must endeavour to forge ahead and to serve all those who go in for our great pastime.

You will note from item (1) above, that we are asking for an increase in the annual dues for the coming fiscal year, from $3 to $4. I earnestly assure every member that such a decision was not arrived at without considerable discussion and heart-searching, but come to it we had to, whether we wanted it or not.

As everyone of us knows only too well, costs have risen, and continue to rise. We are spending more than we receive. And as Mr. Micawber so aptly said, that is "misery"! No one will deny that such a situation can not last and must be promptly remedied. As all the services of the Society are provided for out of the members' dues, we must raise the latter.

We must maintain the standard of our monthly organ, THE CANADIAN PHILATELIST. We think that we have greatly improved it in the course of the last few years, but we must do more than maintain its quality; we must improve it. We want it to be the best philatelic magazine, and, incidentally, the most permanent one, Canada has ever had. We can only do so if every member gets behind us. Your officers, no matter how capable or enthusiastic they may be, can do but little if they have not the support and loyalty of the membership, individual members and chapters, at all times.

And lastly, we would like to remind members and chapters that all work done by your officers is done in their spare time, and spare time, as you all know, is strictly limited. So do please render your Secretary's task easier by paying your dues on time and not waiting for another notice. Every second notice sent out means a considerable amount of extra work. The number of members who drop out every year is appalling - this situation is not peculiar to the C.P.S. but is found in all philatelic organizations - but much of this dropping-out could be avoided if dues were paid right on the dot and not waiting until that fatal "to-morrow". And so, once again, THANK YOU!

F. C. Green,
Secretary-Treasurer
95 Cottingham St., Toronto 7, Ont.

REVIEW

CANADIAN STAMPS WITH PERFORATED INITIALS, BNAPS Perfin Study Group—In the ever-increasing struggle to find an inexpensive side-line, stamps with perforated initials have certainly come to the fore lately. It began with the OHMS perforations, and now it has come to the host of private perforations which have been extant in Canada and other countries since quite a while back.

The present study is due, in the main, to our friend Bob Woolley, but several members of the group have contributed thereto, Dr. C. M. Jephcott, P. D. von Oudenal and Earl Forney. The result is quite a fascinating little booklet, which should be in the hands of all students of this type.

We are interested to discover that these stamps, known as Perfins in Canada, are called SPIFS (Stamps perforated with initials of Firms in Great Britain.

One of the surprises we found in this handbook is the fact that some firms, such as International Harvester and New York Life, use distinctive perforations in their various branches or offices. This certainly complicates the question.

All in all, a useful little handbook, and for its modest price of $1.00 a copy, we recommend it to all who want to go in for an interesting sideline. Copies can be obtained from R. J. Woolley, 359 Ellis Park Road, Toronto 3, Ont. A copy is also available in the Society's Library.

NEW FELLOWS OF THE ROYAL

It is with great pleasure that we learn of the election as Fellows of two very distinguished Canadian philatelists, H. Graham Bertram, of Dundas, Ont., and Bury C. Binks, of Vancouver.

This distinction is indeed a high honour for these two gentlemen, but it is one that is richly deserved, for both of them are outstanding collectors. And incidentally, it is a great honour for Canadian philately as a whole.

NORTH TORONTO STAMP CLUB EXHIBITION, MARCH 24-25.

The North Toronto Stamp Club (CPS Chapter 5) announces that its 13th annual exhibition will be a two-day affair this year, a new departure. The display at North Toronto Memorial Gardens, 180 Eglinton Ave. West, will be open free of charge to the public on Sat., March 24 from 1:30 to 10:00 p.m., and on Sunday, March 25. from 1:30 to 6. It is expected that some 200 frames of stamps will be on display.

The feature attraction will be a selection from one of the outstanding collections on this continent, an extremely fine exhibit of some early European clasics. In addition will be seen two very important exhibits of material rarely if ever seen on display. One of these is a complete collection of Swahililand. This East African territory was transferred to Great Britain by Germany in exchange for Heligoland. Before World War II there were only 25 compete collections of Swahililand in existence, most of which were destroyed or damaged in the bombardments of Hamburg. The second exhibit is a probably unique collection of essays, die proofs, color proofs and booklets of Bavaria, (1911-20, Kingdom to Republic). This is the only time that these will be shown intact, for the owner intends to break up the collection.

On Saturday, March 24, there will be a bourse at which visitors may examine or purchase material from the CPS and NTSC sales books, and from the stock of some of the leading dealers of the Toronto area.

EASTER SEALS ADOPTED IN ALL TEN PROVINCES

Many readers will be interested to learn that the National issue of Easter Seals first printed in 1949 in English as well as English and French will for the first time this year be distributed in each of the ten Canadian Provinces.

Public distribution which is made by Provincial Organizations, affiliated with the Canadian Council for Crippled Children and Adults, will be made in March.

Meantime, the various collector items including Blocks, Imperfs., P.C.P.'s, in sets of all years or individually, will be made available.

Interest in these Seals has grown considerably since first issue; the designs are distinctive and attractive, mostly in several colours making them a nice addition to any stamp collection.

For those who have not got the earlier issues, a complete set of perf. blocks English or bilingual may be had for $1.00 and for those bringing their sets up-to-date, blocks will be included with a sheet of seals at $1.00.

Sheets $1.00; Blocks 15c each; P.C.F. Sets 25c.
